

Sponsor for photo

We want to make a positive impact in Rochester with dog owners that are excited about Pet Technology. First, we are sponsoring two dogs for adoption that are in shelter care. For every photo sent to www.woofwarrior.com/survey, we will donate 10 cents. We hope to reach about 1,000 photos by October 15th.

Sponsor Dogs:

One is Molly - Chihuahua / Jack Russel

Female -Sprayed, shots

Temperment: Very Friendly, Good w/ other dogs, fine w/ cats. High energy

Another shelter sponsor is Nikita - Poodle Mix

Needs a strong owner. Good w/ other dogs. Fine w/ cats.

Very high energy. Needs another doggie or playmate or very friendly family.

Please comment below, to get in touch with Lynne about adopting or sponsoring the dogs.

If everything goes well with the Pet Technology(PETT) products, we still want to improve the lives of dogs around us. After interviewing some happy pet owners, we found that most of the adopted pets are found online on social sites like adopt-a-pet. As much time it takes to create a profile, set up appointments and find the dogs, we wanted to create a fair of shelter pets, here in Rochester. In fact, most adopted pets are found from sites online.

We think that is too slow! Instead of going online, sometimes Pet stores have sponsors of shelters come to the store and hold a small fair. We think that is too "salesy." Creating a fair with both worlds, of owner to owner and an outdoor off-leash dog park. We have founded the Rochester Active Shelter Group on Meetup.com. We are looking forward to holding our first fair on October, 17 at Henrietta dog park. If enough people sign up and we get a sponsor from the local shelter, we might have a successful turn out. :)
